my husband and I have a home in Port. We have a wonderful workshop opportunity coming up in April. Let me see if I can resend to you..

Good morning. My husband and I own a home in Port but also live in Windsor, Ontario. My husband Phil McLeod, is a visual artist and we are business partners in a cultural hub (SHO Art, Spirit & Performance) located in historic Walkerville. In April, we are hosting a 2 day landscape workshop that some of your artists may be interested in. I was wondering if I could share the notice to your group. One of the artists, Denise Antaya, has just moved into the finals of a Canadian competition being televised on Make TV. The other artist is Ober-Rae Livingstone, a very well known landscape painter. Please take a look at our Facebook page for details. Thanks so much and hope to see some of the PS artists..

The actual notice for the workshop is posted on the SHO Facebook page..
